

2016 – 2017 LAKESIDE VIKINGS SOFTBALL

Booster Club Information

Thank you for your interest in the Lakeside High School Softball program. The enclosed packet of information is intended to provide you with a basic overview of the LHS softball program, the Booster Club, the calendar of events for the upcoming year, our expenses, and our fund raising activities.

In Georgia, softball is played as a fall sport in high school. Girls transitioning into the 8th grade at Henderson Middle School may try out for the JV team. Girls in the 9th-11th grades may try out for either the JV or Varsity teams. Girls in the 12th grade may try out for the Varsity team only. All girls must have a current, signed DCSS physical form turned in prior to participating in any tryouts or summer workouts.

The mission of the LHS Softball Booster Club is to support the players, the coaches, and the school both on and off the field. We invite you to learn about our booster club activities and membership obligations throughout the summer as you join in and take an active role in the organization. Running a successful softball program is expensive in both time and effort. We are lucky to have a great team of experienced and hard working coaches again this year: Tricia Newmyer, Tom Collop, and Lauren Levin. It is our responsibility as a booster club to make their coaching jobs as easy and rewarding as possible. Contact us if you are interested in any of the following positions:

- concessions
- game day prep
- programs
- photographer
- alumni outreach
- spirit / teambuilding

We are all excited about the upcoming season. Please feel free to visit our website at www.lakesidesoftball.com, email us at boosters@lakesidesoftball.com, or contact any of us listed below if you have questions or comments.

Your 2016-2017 Coaching Staff

Tricia Newmyer, tricia_a_newmeyer@dekalbschoolsga.org
