

2016 - 2017 LAKESIDE VIKINGS SOFTBALL

2016-2017 Booster Club Membership

The Lakeside High School Softball Booster Club was formed to support our softball coaches and to provide our student-athletes with the best possible positive, memorable, and fun experience. The booster club pays for uniforms and practice shirts, field maintenance, practice equipment, an awards banquet, coaches honorariums, tourney fees, umpire fees, and much more.

We cannot do all of this without your support, financially as well as with your time and effort. We strongly encourage each player's family to join and become an active member of the booster club. Membership for the 2016-2017 season covers the calendar year from June 1, 2016 until May 31, 2017 and membership dues are \$250 per student-athlete. We also encourage each student-athlete to secure \$350 in advertising sponsors or donations from friends and family. If a player secures a total of \$600 in sponsors and donations, the booster membership fee will be waived. The booster membership fee can also be waived in case of financial hardship.

Membership fees for the 2016-2017 season are due on August 1, 2016. Please submit dues, any sponsor and advertising payments, a completed membership form (below), and completed contact information forms (multiple households may submit multiple contact forms for a single player) to club Fundraising Chairman, Vince Cunard (fundraising@lakesidesoftball.com) .

Thanks for your support of Lakeside Vikings Softball

YES! We want to join the Lakeside Vikings Softball Booster Club for the 2016-2017 school year.

- Enclosed is a check made payable to Lakeside High School Softball Booster Club in the amount of \$250 for 2016-2017 membership dues.
- We have met the player fundraising target of \$350 in sponsorship sales and have sold additional sponsorships of \$250 (\$600 total sponsorships), so booster club dues will be waived for this membership year.
- We are interested in joining the booster club, but membership dues present a hardship for our family at the present time. I would like to pay dues of \$50 monthly for five months, beginning in August 2016 and concluding in December 2017.
- We are interested in joining the booster club, but membership dues present a hardship for our family at the present time. My student-athlete participates in the free/reduced breakfast and lunch program at Lakeside High School or Henderson Middle School. The Lakeside High School Softball Booster Club has permission to verify this through the school lunchroom and/or school administration. This information will remain confidential and booster club dues will be waived for this membership year.
