Parents and Athletes,

I have put together information about purchasing photos of this year's softball season. There are choices for individual poses, collages, photo art, and group/team photos.

Here are links to where you can purchase team photos and view action shots from the games. Game shots will be uploaded often. If you purchase any picture package or team photo, you can have access to free downloads of game photos.

Please e-mail me if you would like to have any individual photos done or if you would like to have a collage of your athlete created. There will be no charge for the 30 minute photo session, but you will need to have purchased a photo package up front. See attached sheets for pricing information.
